**Judy Weiser, R.Psych., A.T.R.**

**Founder & Director of the PhotoTherapy Centre**

**Judy Weiser** is a psychologist, art therapist, consultant, trainer, University Adjunct Instructor, and author — and one of the earliest pioneers of PhotoTherapy and Therapeutic Photography techniques. Founder and Director of the *PhotoTherapy Centre* in Vancouver, Canada (1982), she is considered the "world authority" on these techniques.

Former Editor of the journal *Phototherapy*, Judy authored the classic text "[\*PhotoTherapy Techniques: Exploring the Secrets of Personal Snapshots and Family Albums\*](#)" (now in 3rd printing, with translations published in Italian, Korean, and Russian), as well as numerous professional articles and book chapters, on these subjects — all of which (except her book) can be downloaded for free from her website.

She also created and maintains the primary informational resource and networking website for the field ("[PhotoTherapy and Therapeutic Photography Techniques](#)") as well as the related [Facebook Group for "PhotoTherapy, Therapeutic Photography, Photo Art Therapy, and VideoTherapy"](#), which now has over 6,500 members.

Judy has given over 300 Workshops, Training Intensives, and Lecture Presentations in over 50 cities world-wide during the past 35 years (including Italy, Finland, Korea, Sweden, Spain, Netherlands, Russia, Poland, Latvia, England, Scotland, Mexico, USA, and Canada).

Having spent over 35 years using PhotoTherapy techniques in her private practice as a therapist helping socially/culturally marginalized, disenfranchised, and excluded populations, Judy now consults, lectures, and teaches internationally by invitation, as well as offering various-length Educational Workshops, and the PhotoTherapy Centre's six-day "*Intensive Training in Judy Weiser's PhotoTherapy Techniques*" annually in Canada and occasionally in Italy.
